

DIVE ACTIVITIES PURPOSE AND RENTAL RATES

The Dive Flight is a function of the Eglin Yacht Club (EYC). It's purpose is to support and promote safe Scuba diving activities. It is located in a separate building, Bldg 2804, at the side of EYC. It is open on Monday and Friday from 1730 to 1900 hours during the summer (April-October) and on Friday from 1730 to 1900 hours during the winter (November-March). The Dive Activities provide EYC members with the following services:

- J Scuba tank air fills, to 3000 PSI, at no cost.
- J NITROX Scuba tank fills, to 3000 PSI starting at \$7.00.
- J NITROX Filled, 80 CuFt (32%), 3000 PSI aluminum Scuba tank (full) -- \$12.00
- J Rental equipment is available to check-out from Monday to Friday and Friday to Monday during the summer and Friday to Friday during the winter. Rental prices are as follows per check-out period:
 - o Regulator with octopus, low pressure inflator hose, pressure gauge, depth gauge, and whistle -- \$16.00.
 - o Buoyancy Compensator with tank backpack and low pressure inflator -- \$12.00.
 - o Oxygen Kit -- \$10.00
 - o 80 CuFt, 3000 PSI aluminum Scuba tank (full) -- \$6.00.
 - o Weight belt with weights -- \$6.00.
 - o Dive flags with float and anchor weight -- \$5.00.
 - o Full Set (BC, Regulator, 2 Cylinders [air], Weight Belt & Weights) -- \$40.00
- J Dive trips, at reduced rates, are scheduled to Destin, Pensacola, Panama City Beach and other locations based on interest.
- J "Dive Partner Database" is located in the Scuba building and as part of the EYC Web page to assist in finding dive partners. (See DIVE PARTNER DATABASE)
- J A Dive Activities meeting is held at 1800 on the first Friday of each month. The meeting is designed to allow divers, or any other interested people, to meet socially, hear a speaker on a diving related subject, exchange recent dive experiences, plan new events, and to ensure safe diving is emphasized.
- J The Dive Activities also coordinates and supports community events. We have actively supported events such as the Destin harbor cleanups, sea grass removal to allow the dredging of the Ben's Lake channel, preparation of the Postal Pointe LCM to be environmentally safe to become an artificial reef, search and recovery missions, assisting EYC members in maintaining their boat hulls, and searching for missing boaters.
