Subject: Welcome to the Eglin Yacht Club

Welcome aboard Mark and Angela Duffy.

Was great meeting you all last night and sure glad you joined the EYC. I've attached a letter that explains the workings of the club, our website, and the scheduled get-togethers on the first and third Fridays of the month. I have also included the latest combinations for ice, dock cart, etc. below. Fred Westfall will be contacting you to confirm you would like to use the photo from last night for the online Membership Roster. Please let me know if you have any questions. Looking forward to seeing you around the club. Thanks.

EGLIN YACHT CLUB

P.O. Box 1735
Eglin Air Force Base, Florida 32542

Dear New Member,

I am pleased to include you on the membership roster of the Eglin Yacht Club, and hope you will enjoy your association with us. Your membership has been processed and is valid for the rest of this fiscal year ending 30 September 2020. When you attend your first function at the club, there will be a name tag for you on our membership board. Please return the name tag to the board as you leave so that it will be there the next time you attend.

As you know, this is an all volunteer, self-help club. The success of our activities depends on the cooperation and participation of all our club members. I am sure you will enjoy actively participating in club activities with other members as much as we will enjoy working with you.

Please visit our EYC website at <http://www.eglinyachtclub.org>. This site provides detailed information on club activities. The site also contains the EYC Operating Instruction describing club policy and guidelines; please familiarize yourself with section 9, which describes club operations, house rules, and member responsibilities, <http://eglinyachtclub.org/oi.pdf>.

We have already entered your name(s) on the EYC Membership Roster on the website. We would like to have your photo to help other members recognize/welcome you. Your photo will be your key to receiving the password to view the membership roster. You can send the photo to eglinyachtclub@gmail.com. Or you can have Fred Westfall take your photo at a club function.

The first Friday of the month is our family night. You do not need to make reservations (unless you're bringing more than 3 guests), so pack up the family, and come out and share the food and camaraderie of the club. The fare is usually quite simple such as hamburgers and hot dogs. The third Friday of the month is membership business meeting/dinner night (limited to adults). Reservations are required so that we will know how many will be attending and can have plenty of food available. For instructions on how to make reservations you can visit the "[Dinner Reservations](#)" page of our website.

If you are a diver, your membership card will be at the Dive Flight desk. Please be sure to bring it, your "C" card, and a picture ID when you rent dive equipment from the club. Boaters may obtain their membership cards from me at the club or by mail, if requested.

Again, welcome to the Eglin Yacht Club.

Bob Gramm
