

**EGLIN YACHT CLUB**  
**P.O. Box 1735**  
**Eglin Air Force Base, Florida 32542**  
**Minutes of The EYC Advisory Council**

November 13, 2023

Since we could not establish a quorum, there was no official November Advisory Council meeting so no agenda items could be voted on. Items discussed included:

- We may have lost two additional memberships; report to follow.
- In addition to the 14 previously scheduled events, the Dive Flight asked to reserve the club on November 18 for a memorial service for the diver who drowned last weekend. He was not an EYC member but was a pilot for Eglin AFB.
- The windows in the club that needed replacement have been replaced. Thank you Command Chief Sevin Balkuvvar!
- The purchase of a new grill is still in progress, waiting on FSS.
- Ice machine has been repaired and is working well.
- The FSS paintball compressor reassignment was not financially viable and did not fully meet the Dive Flight's needs. We're still looking for a new replacement air compressor.
- We still do not have the mechanism to charge the AERO Club for EYC use.
- The meeting was adjourned at 1735 hours.

Fred Westfall  
EYC Secretary
