COMMITTEE REPORTS:

Club Manager: Jerry Jacobs reported that in general, things are going well but that he is having a problem getting with FSS to purchase needed supplies and beverages. He also stated that we had a no-notice fire safety inspection and that the only writeup was the inspector's inability to enter the ice machine and grill shed areas since the combinations have been changed. The fire inspectors now have the combinations.

Financial Report: By email, Wendy Paulson reported that our current month's NIAD is \$648.37 as compared to \$2,311.29 last year and that the current year NIAD is \$7,808.32 as compared to \$9,400.59 last year.

Special Functions: Fred Westfall reported that there was one promotion party on June 27 and one on July 1 that were both hosted by Eric and Wendy Paulson. No future events have been booked.

Entertainment: Susan Jacobs reported that she and Jerry hosted the June Membership Night and was helped by the Hornsbys and Healds. There was no Family Night in July. The Paulsons will be hosting the July Membership Night dinner. Currently there are no volunteers for August.

Membership: Bob Gramm reported that we're now up to 134 Paid, 1 Checks-In-The-Mail, and 2 Honorary memberships for a total of 137. We gained two new memberships since the June meeting: Jeremy (JP) Morris and Zachary Horak. We terminated the membership of Jonathan & Nomitha Cansdale due to no response.

Bob also noted that a list of possible Bridge and Board members has been created. Bob and John Faris will start making calls this week.

Boating: Gary Combs reported that was a raft-up at Marker 51 over the July 4th weekend.

Dive Flight: By email, Mike Guidry reported that they are still looking for a compressor; that he is still doing weekly fill runs. One member has volunteered to try and make one usable compressor from the three we recovered from DLA.
